

M.P. SHAH HOSPITAL
A Legacy of Care

A purple wicker basket filled with various maternity care items. It includes several bottles of baby lotion and soap in shades of blue, pink, and white. There are also folded purple and white towels, a yellow rubber duck, and a small bouquet of white flowers. The basket is placed on a light-colored wooden surface.

Let's discuss your birth plan

ADVANCED MATERNITY CARE YOU CAN TRUST

Your pregnancy is one of the most exciting times of your life. At MP Shah Hospital, you can enjoy this thrilling journey in a premium maternity environment, with the support of an expert team. From the experienced doctors, specially selected nurses and support staff to the labour rooms, you will find everything about your time with us comforting, relaxing and reassuring.

Families have trusted us for generations

YOUR SUPPORT SYSTEM FOR A HAPPY HEALTHY PREGNANCY

Our approach to private pregnancy and maternity is a combination of exceptional care, state-of-the-art equipment and modern comforts. As a result, families have trusted us for generations at this special time, and we have an enviable reputation for maternity care in Kenya. Our expertise enables us to look after you and your baby whatever your circumstances and requirements

MANAGING THE PERFECT BIRTH PLAN

We provide you with a range of education materials as part of our maternity packages that will empower you as you approach the birth of your baby.

The package will depend on:

- Your choice of maternity care
- Complications pertaining to a previous pregnancy
- Current medical conditions if any
- Possible conditions that may arise out of your current pregnancy

You have a choice of:

- Hospital doctor based care
- Midwifery care
- Epidural
- Elective caesarian section

ANTENATAL CARE CONSULTATION:
